

Cuesta College Community Programs Education to Go (Ed2Go) Online Classes

How to Get Started with Your Online Course:

Step #1:

...Visit our Online Instruction Center at www.ed2go.com/cuestacp for complete descriptions, dates and computer requirements.

...When the Cuesta Community Programs Online Instruction Center appears, Click on Courses, and then Click on the title of the specific class to get more valuable and useful information such as instructor biography, class syllabus and past students' feedback.

Step #2:

Once you have decided on a class or classes, Click on ENROLL NOW and follow the directions to enroll and payment options.

If you have already paid Community Programs for the class, just Click on "Orientation" on the top line of the screen and complete entering your name, email address, creating a password, etc. This completes your orientation. You must indicate the class number and start date for each class to add your name to the roster.

If you haven't paid, contact Cuesta Community Programs at (805) 546-3132 or register online at www.communityprograms.net and click on Ed2Go Online Courses.

We recommend that you save www.ed2go.com/cuestacp as one of your "Favorites" on your computer. This will save you time and frustration... you'll be visiting this site many times during your online class.

Step #3:

...To enter your course online and begin your class, Click on "Classroom" on the top line of your computer screen and then identify yourself and what session and course.

Call Cuesta Community Programs @ (805) 546-3132 if you have questions or need any assistance.
