

Cuesta College Community Programs Education to Go (Ed2Go) Online Course

Orientation Instructions...

Click this web address into your browser: <http://www.ed2go.com/cuestacp/>

Click on the Courses in the purple bar at top of screen

Click on the Course Category for your class from the list provided

Click on your class title (scroll down if necessary)

Click the **Enroll Now** button....the website uses the word Enroll but you are orienting
Highlight the button next to your start date and click on **Continue**

IF you have a user name and password, enter them in the boxes provided and click on **Continue**

IF you do NOT have a username or password yet....select “**Click Here**” in front of the option “**Don't have an account?**”

Create your user name and password....please pay attention to the requirements
After you have done so, click **Continue** and it will tell you if your username and password have been accepted.

Click **Continue** to set up your account profile.

Fill in all required information and click **Update** (this step used only when setting up a user name & password)

Click **Already Paid** (call 805-546-3132 to make your payment if you have not yet paid)

Print the page if you desire to keep the information that shows on the screen.

Verify your information is correct and select **Click Here** in the **Grey** bar to complete your orientation.

Print this page if you desire to keep it for reference.

Your orientation is now complete!

Come back to this website after noon on the start date of your class to begin your online session.
