MY WONDERFUL BOOK

Once upon a time there was a wonderful book that was extremely well written. It was formatted correctly for a manuscript critique. It was double-spaced, typewritten in a 12-point standard font such as Times New Roman, with at least a 1-inch margin on all sides. It was submitted before the deadline of 4:00 p.m. on September 11, 2009 and everyone involved with the conference was extremely impressed and so on and so forth, for up to ten pages.
